Sicilian Square Original Meat Combo

Welcome to Upper Crust Pizza & Pasta, where we specialize in Authentic Sicilian Square Pizza and traditional Italian cuisine. Our family has proudly served the Santa Cruz community since 1979, but our passion for preparing and sharing good food started generations ago in Carini, a small town outside of Palermo, on the northern coast of Sicily.

In Sicily, the way of life is centered around spending time with family and friends while enjoying delicious home-cooked meals made

from **fresh, local ingredients**. Our family's recipes were used to celebrate holidays, special occasions and family gatherings, and became tradition as they were passed down to the next generation.

Here at Upper Crust Pizza & Pasta we keep the **old-world tradition** alive by using locally sourced products and ingredients along with the same family recipes. We are proud to take the extra time and effort to operate the Sicilian Way.

We believe that the authentic food, traditional recipes and attention to detail are what make us **The Upper Crust**.

For **two generations in Santa Cruz**, our family and dedicated team have been devoted to serving our neighbors, students and visitors from around the world. We cherish the friendships we have developed with our customers and think of you as our extended family. We look forward to showing you why Upper Crust Pizza & Pasta has been a local favorite for over four decades!
